

ALBERT ARTIS

REGIONAL MANAGER - ATLANTA GEORGIA

BIO

Albert Artis is Destiny Rescue's Regional Manager for Atlanta Georgia. For the past decade and beyond, Albert has participated in many humanitarian relief efforts around the world. From the devastation of Hurricane Katrina in New Orleans, or the 2010 catastrophic earthquake in Haiti, to the streets of Los Angeles and the largest population of homeless in the United States, "Skid Row", or the homeless in Phnom Penn, Cambodia, Albert has firsthand experience serving and bringing hope to those in dire situations.

But it wasn't until November 2015 when Albert participated in a Destiny Rescue team trip to Thailand, that he began to learn about the realities of child sexual slavery and exploitation. After meeting Destiny Rescue's undercover agents, case workers, counselors, and hundreds of children going through healing and restoration, Albert had a new passion burning in his heart.

Albert is determined to be a voice for those whose voices have been silenced. He speaks to audiences young and old alike with a passion to inspire, inform, and educate; motivating individuals to take action, and inspiring them to take their place in this fight against child sexual slavery. Sir Edmund Burke said, "The only thing necessary for the triumph of evil is for good men (and women) to do nothing". Make a difference today. Invite Albert to speak at one of your next events.
